

**OCEAN VIEW SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

TOM LIVENGGOOD

OCCUPATION: Retired Education Administrator

For thirty-five years my professional career was as an Administrator in public education. Now I want to take that experience and serve the children of Ocean View School District as a member of the Board of Trustees.

Through our schools, we build our future. Therefore, our schools must have the right tools to do their job. In addition, our schools must promote policies that provide opportunity and remove obstacles for student achievement. As a member of the Board of Trustees, I will work in partnership with parents, teachers, Administrators, and the community to provide students with skills for success. As a Trustee, I will champion safe schools, with class size reduction that support students to meet the California State Standards for promotion.

As a volunteer, I have served 14 years on the Huntington Beach Planning Commission and also served on the City Finance Board. In addition, I have served as the President of the Amigos de Bolsa Chica and the Chamber of Commerce and Chairman of the Shipley Nature Center Education Committee. I know what it takes to be an effective member of the Ocean View School District Board of Trustees.

I ask for your "Vote".
